Good news. All but four checks went out yesterday. It looks like the Controller made an error and included two separate refunds on one check (twice). Checks should be arriving this week. We have a list of checks issued, so let me know if anyone calls at the end of the week, or next week, saying they didn't receive their check.

Thanks.

I know the City is working on these, but we are getting an increasing number of calls asking us about them. Quite a lot in the last two weeks or so.

Do you have any update that we can share with owners? Some are understanding, some quite frustrated.
